AI Sales Bot

Charging Model

V1.0 2025

Charging Model

M800 AI Sales Bot Service mainly includes below charge:

- **Platform Charge** (e.g., each customer, or each billing account)
- **Add-on Charge** (e.g., additional concurrent call, virtual number fee, CINNOX license fee)
- **Usage-based Charge** (e.g., bot usage fee, IDD/NDD usage fee, TF/DID usage fee, SMS fee)
- **One-time Charge** (e.g., professional set up fee)

Details are in the next slide.

Detail Charging Items

Name	Type	Description	Price (USD)	Unit
Essential Charges				
Platform Fee	Platform Charge	Monthly charge for using the M800 AI Sales Bot platform. Includes unlimited scripts, tasks, and users, with support for up to 50 concurrent calls.	100	Per Month
Bot Usage Fee	Usage Charge	Basic traffic fee for the Bot service.	0.05	Per Minute
Optional Charges				
Telco Outbound Usage Fee	Usage Charge	Applicable when making outbound calls via IDD/NDD. Charges vary by destination country or region.	IDD A-Z Rate table	Per Minute
Telco SMS Usage Fee	Usage Charge	Applicable when SMS messages are automatically sent during the voice bot workflow. Charges vary by destination country or region.	SMS A-Z Rate table	Per Minute
Telco Inbound Usage Fee	Usage Charge	Applicable when receiving inbound calls via TF/DID. Charges vary by destination country or region. A virtual number is required.	TF/DID A-Z Rate table	Per Minute
Virtual Number Fee	Add-On Charge	Applicable when a virtual number is purchased for receiving inbound calls. Charges vary by country/region and number type.	TF/DID A-Z Number Fee	Per Month
Additional Concurrent Fee	Add-On Charge	Charged per additional block of 10 concurrent calls.	50	Per Month
Professional Service Fee	One-time Charge	The first bot script setup is provided free of charge. Any additional script creation performed by M800 is subject to a Professional Services fee. Customers are required to provide relevant information and support. There is no limitation on customers creating or managing their own scripts.	1000	Per Script
CINNOX License Fee	Add-On Charge	Applicable when a CINNOX agent license is purchased for bot-to-human call transfer. Licensing requirements and pricing vary by package.	CINNOX Packages	-

Remark:
1. Duration within a minute will be rounded up to one minute.
2. SMS count based on Standard SMS Character Counting Rules.
3. For resellers, they are only applicable of the Monthly Charges. Any other charge is not applicable to reseller commission schema.

THANK YOU!
